

COUNTERTOP DRAWING WORKSHEET

SKETCH THE LAYOUT OF YOUR COUNTERTOPS -

- Label walls and show backsplash location. (double line denotes backsplash)
- Include all back wall dimensions.
- Note approximate location of appliances and sinks.
- Denote which edges need to have a profile. (mark edges with circles)
- Indicate overall length & width of islands and peninsulas.
- If you have a cabinet plan, please include this with your drawing.
